

Respected Sir,

I hope you are doing well.

I am writing to seek your permission to organize a non-technical event for our department students. The motive of conducting this event is to proliferate the spirit of participation, innovation and teamwork among the students and witness the practical implementation of skills learned by them outside the purview of academics.

The details of the proposed event are as follows:

- Tentative Name of the Event: Eloquence 2026 – FIRST YEAR Debate Competition
- Tentative Date: 10th October 2026
- Target Audience: 1st-year B.Tech students
- Duration: 2 hours (1:00 PM – 3:00 PM)
- Registration Fee: No registration fee (Open for all students)
- Other Relevant Details: The event will be a structured debate competition focused on current social and technical topics. The specific debate format, rules, judging criteria, and motion topics will be announced on-spot at the commencement of the competition to ensure spontaneity and fair preparation time. We require a seminar hall with basic audio facilities and seating for the audience.

We seek your permission to organize the event under the supervision of our department. We assure that all the arrangements related to the event will be made punctiliously and conducted in a disciplined manner following all the guidelines provided by the department.

We request you to grant us the permission to conduct the event and extend your support to make it a great success.

Thank you!

Yours sincerely,

CH Vikas - 2620030391

M Vinay - 2620030387

Raghuramakrishna - 2620030446
